

BALL VALVE HOSE BIBS

Champion-Arrowhead Brass Ball Valve Hose Bibbs

Champion-Arrowhead offers a complete line of ADA (American Disabilities Act) approved Ball Valve Hose Bibbs that take only a few pounds of effort to turn on and off. These easy-to-operate "Quarter-Turn" ball valves are Bi-Directional and can be placed in the "Off" position either left or right. Other features include a Stainless Steel vinyl grip handle, Full Flow ports and Champion-Arrowhead's 3-Year warranty. This is a top-quality ball valve hose bibb with all the reliability and features you've come to expect from Champion-Arrowhead.

PRODUCT FEATURES:

- Bi-Directional Shut-Off
- ADA Approved
- UPC Certified
- Left or Right Hand Operation
- Stainless Steel Vinyl Grip Handle
- Full Flow Design
